

April, 18th. 1981.

Mr. X. L. Pellicer,  
101, Oglethorpe Bld.,  
St. Augustine.

Thank you for your letter and the pictures.

I gave Father Martí his picture of the monument.

I should very much like to have a copy in the same size of Father Martí and the monument for my personal use. I shall pay you the charge when you come to Menorcar or later in St. Augustine. I shall pay you also the dollars of the pictures 9 and 10.

About some other pictures for the group, I told Roman and I have no answer yet.

I am thanking you again for the good reception and hospitality of the Menorcan group in St. Augustine.

Jacqueline, Arielle and everybody send you and Catherine our love.
