Dear Mr. MacNeill,

Back in Menorca I wish to thank you for the time you spent talking with me in Indianapolis.

I know that Madrid has sent to your office , duly signed, the agreement that you have proposed to us. They sent a lot of material, too, and are expecting something to send the substance that has to be investigated.

From Indianapolis I went to Mexico where everything has calmed and I hope that this quietness will last in the Seguridad Social.

If , by chance, you come to Europe, please let me know it in advance, as I should be delighted to have you in our house by the sea in Menorca.

Thanking you again, I remain,

Very truly yours,

P/S.- My address: "Mongofre Nou" - Isla de Menorca (Spain)
