Department of Justice ,

My dear Edmundo Reyes,

Your letter was received by Jacqueline and I with great joy and we are looking ahead to the pleasure of being with you in Marinduque again.

Your letter reached me in Paris and I sent you a reply right away accepting your invitation and fixing February 10th 1982 for our arrival in Manila.

I am flying to Mexico tomorrow and I shall be back in Menorca on December 15th and at that time I shall have all the airplane tickets and the exact dates and time of our arrival in your beautiful country.

Please present your wife our best wishes and be sure of our great admiration and friendship for you both.

Very cordially yours,

Fernando A. Rubió.
