My dear Teddy,

Hope that your father is in good health and I wish he will last a long time.

I intend to arrive in Florida beginning of march and I hope to see you in a very good condition.

I am sorry to disturb you but I don't have any registration for my Cadillac and my Dodge. The registration you mailed me last year never arrived and I still have to run with 1987 registration.

Sorry to bother you.

Hope to see you soon.
