Respected Mayor,
Dear friend,

Your telegram announcing your arrival in Menorca made me very happy.

Please let me know as soon as possible the flight number between Barcelona and Menorca and the date too.

I send you this letter in the hands of Mr. Charles Pellicer who is in Mongofre and is flying soon to Sant Augustine.

Please tell me the number of your friends who are coming with you because I would like very much to have them to our house in Menorca.

Awaiting your good news, I remains yours Sincerely,
