Caro "Almirante",

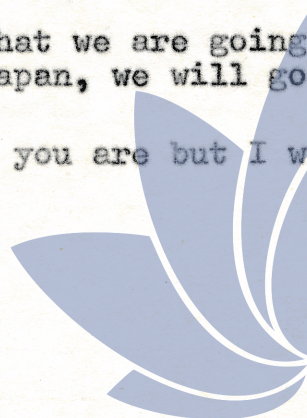

Happy with your letter of September 28th.

I am sending to Mr. Renzo Cambiaggi more Immunoferon.
We don't sell it to friends.

We have had a wonderful summer sailing a thousand
sea miles. We went to South of Italy, Islands of Greece
and the coast of Turkey.

I don't know now what we are going to do in February
but having business in Japan, we will go to South East of
Asia.

I don't know where you are but I wish you good sea
and good wind.
