Mr. Li Bin
American Section
Beijing Branch of C.I.T.S.
BEIJING (China)

Dear Li Bin:

The travel back to Europe was very long but good.

We left Beijing with four hours of delay. We arrive in Paris with seven hours delay.

We both remember you very well and we are very grateful for your kind help and assistance. You know my address and you know too that I am your very good friend.

If some time you see Clif Chan please give him our best regards.
