Dear Judith,

Because the Queen of Spain came to Menorca, it was my duty to be here, I had to interrupt our trip in Bangkok and fly to Menorca in the quickest way. Therefore, I had to cancel our reservation, what I did through ~~Saitalia~~ in Bangkok and personally in the Excelsior Hotel in Rome.

Included my tickets to be refund. The money of such funds and the money that the Excelsior Hotel will send to you - so they promised me - has to be in your custody until my next trip to Sant Augustine in May.

Hoping that you are in good health, I remain cordialy yours,

Fernando A. Rubió
