SAINT AUGUSTINE, FLORIDA (USA)

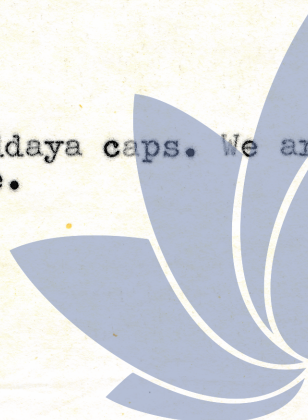

Finally every thing seems in order for the trip of the Capilla Davidica to Florida. Bill Green did a great job.

Jacqueline and I will arrive in Miami 2 days in advance to seattle final details.

My Mediterranean Cruise has been wonderful but I do not have any news of your eyes and I hope that is good news.

Since I ~~will~~ arrive here in Menorca I ~~tried~~ several times to contact you by telephone but nobody answers. I guess you are in the beach house because Bill Green did not have bad news. from you.

Thank you for the beautiful Addaya caps. We arrange the matter in Saint Augustine.
