Orlando, F L A, U S A

Dear Sir.

I was a guest at your hotel on the night of 7_8 March, (rm.20-18
being a member of the Menorcan group led by Mr. Palliser, of san
AGUSTIN.

(see attached list)

I unfortunately left my jewels in the room when i left on March, 8
The guide of our group, Mr Juan Pedro Llopart , told me later that
he had telephoned you, and that you had informed him that the jewels
were in your safe keeping for return to me or my representative.

On my return to Menorca i telephoned your hotel and was connected
with your housekeeper, miss Diane, who assured me she would make the nec
cessary arrangements for the jewels to be returned to me by mail
at my expense.

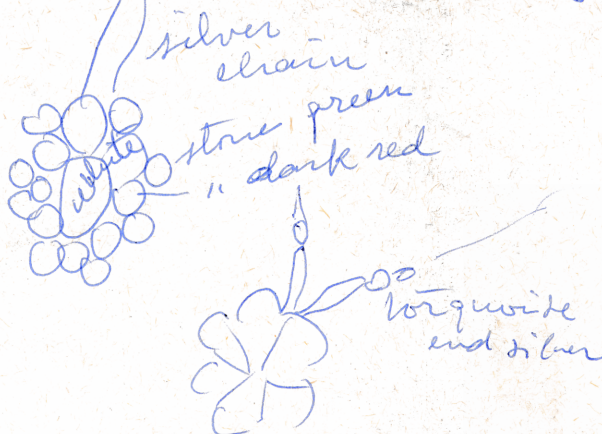

I wrote to Miss Diane on March 28 (copy enclosed) to confirm this
conversation, but have had no reply.

A friend of mine Dr. Fernando Rubio, was in Orlando recently , called
at your hotel and was shown a room full of lost property, but unfortu-
nately it was not possible to identify my bag of jewels.

I should be grateful if you would give your immediate attention to
this matter and let me know if my jewels have been found and can
be returned to me.-

Yours truly.

Enclose is the drawing of my lost old jewels
