Dear Mr. Lee Kemp,

Having spent Christmas and New Year Day happily, I wish the same thing for you and your family.

I am confirming you my letter from December 10th, which I mailed from Montréal (Canada).

I very much would like to have your news about the arrival in Mahon of the engineer.

If necessary, I could stay longer in Menorca.

Hoping to hear from you, I remain, with very kind regards,

Yours sincerely,
