Dearest X L

Hope and wish that you have had a happy Christmas and that the new year will be wonderful for you celebrating, you and I, the Minorcan heritage in Florida very soon.

I have the Dancers and the Singers but I still lack the money to pay the air fares. My hope is very high. Including copy of my letter to the Secretary of State in Tallahassee. Sorry is written in Spanish but I know you will manage to translate it. I suggest to the Secretary of State a meeting in Florida between himself, you and I.

I shall arrive Mexico City 25th late afternoon. As soon as I arrive I shall phone you and I hope you have decided, in accordance with the Secretary of State, if I have to fly to Saint Augustine or Tallahassee. My opinion is it would be nicer for you and I to go to Tallahassee. Do not forget that the Deputy Secretary Mr. Kelley went specially to Saint Augustine to see us.

Love to Catherine  
and you.
