My wife and I have been very happy with the Christmas card you have been kind enough to send us. We also wish you and Michael a very Happy New Year.

As I told you when you were in Mongofre last September, we shall arrive at Los Angeles at 9.10 p.m. March 8th, coming from Honolulu on Hawai Air, flight N°2 and we will spend 3 nights at the Beverly Wilshire Hotel. Please tell the same to Susan Bass.

Hoping to see you soon, I send for you and Michael our best wishes.

Very cordially yours,
