His excellency
Mr. Edmundo Reyes
Immigration Commissioner
Justice Department
MANILA (Islas Filipinas)

Respetado Ministro, querido Edmundo:

Hope and wish that the Christmas celebrations have made you happy and that 1982 will be prosperous, succesful and good for you and your wonderful family.

As I promised you in my last letter we will reach Manila on February 10th, 1982 on Philippines Airlines -502 at 4 p.m. coming from Singapoore. I shall reconfirm our arrival from Taipei or Singapoore by cable.

We shall arrive in Taipei on February 3rd and stay at the Gran Hotek. We shall arrive in Singapoore on February 8th and stay in the Hyatt Regency.

We are going to stay in the Philippines Islands until February 20th and I would like very much after we have been in Marinduque (I am looking ahead with joy about our staying in your beautiful house in the island) to visit other places in the Philippines. For instance I would like to see Baguio. Jacqueline reminds me that Bea Zobel suggested her to take us somewhere with their private aeroplane. Nori also suggested to go together to her beautiful Iloilo. You would be very kind if you put all those things together and plan a good stay for us in your beautiful paradise. I know you are going to do it wonderfully.

I dont know yet the new Spanish ambassador but I know that he will be very nice to Jacqueline and I. I carry a very important letter for him.

Please reserve for us room in the hotel you prefer.

I wish you again a very Happy New Year and I am longing to see you and your charming wike very soon.

Un gran abrazo,

Fernando A. Rubi6
