Mr. E. Cane  
Honeyway Cottage  
Tubbs Lane Highclere  
Newbury, Berks

Dear Mr. Cane,

After writing to you yesterday, it came up to my mind that idea that you could may be give a lecture in the Ateneo Cultural, Literario y Cientifico, de Mahon, about the great Governor Cane.

Manorca in October is full of british tourists who would be very interested in hearing you.

Being myself Honor President of the Ateneo, I beg you to accept our invitation.

Yours very truly,

Fernando A. Rubio
