N a i r o b i , Kenya.

Dear Mister Ryan,

Our mutual friend, Mister H.C.E. Downes, of London, was kind enough to let me have your address and his introduction to you.

Mister Downes assured me that you will be able to help me in the preparation of a safari in your Africa.

I would like to go hunting and photographing with two couples of friends, the next month of February. As a matter of fact, I should like to be in Nairobi on February 1st. 1969.

I have been an experienced hunter in Africa and I have shot all the possible animals in French Africa. I have never been in Kenya before. One animal is lacking in my "tableau de chasse", the rhinoceros, and I do not know if it is possible to have one now.

My other four, or may be five, friends are only interested in a photographic safari. Personally, I am interested in taking pictures of everything , but shoot the Rhino.

I should very much like to receive some kind of budget for a safari like this, for a duration of two or three weeks.

I am joining you my address in Spain, where I shall stay for the whole Summer, and I beg your pardon if I ask too much of you.

Yours sincerely,

P/S.- My address in Spain is?
