Dear Susan,

Thank you for your letter of November 29th.

I was sorry too not to find you when I phoned you from Sant Augustine, Florida.

I am glad that you are having a good time visiting country after country.

Unfortunately, by Easter we will not be in Mongofre because we are travelling beginning February to India, Nepal, South Korea, Guam, Hawai and Los Angeles. Easter is very early in 1989.

Hope to see you in Los Angeles beginning of March and may be then, we may arrange your visit to Mongofre in an other date.

We wish you and Michael a very Happy Christmas and a prosperous 1989.
