SANT AUGUSTINE, Flo 32084

Returning from my anual mediterranean cruise, I found your letter of july 7th.

I am really grateful to Mrs. Clarissa Gibb for the party she wants to give to me but I cannot tell you now the exact date of my arrival in ~~Sant~~ Augustine because it is still too far away.

On September 15th, your son will arrive in Mongofre and may b be then, I will be able to know an exact date in what case, I will let him know.

Anyway, I hope to be in Sant Augustine around the middle of the month of November.

Very happy to know that you and Catherine are allright.
