Mrs. Georgina Ward de Tritton
Ca Quintana 23
MEXICO, D.F. 14

By accident, I got the sad new of the passing of the great Geordie, best known in Minorca as "niño de Londres".

Since I knew this horrible and sad happening, I feel lost in the world because your father was a real good and dear friend.

I intend to be in Mexico in the middle of next November and I will try to see you.

Recibe, Querida Georgina, un muy triste y fuerte abrazo.
