

Barcelona, the 26th October 1979

Mr. X. L. Pellicer,
101, Oglethorpe Bld.,
St. Augustine, Florida

Around the 10th November I shall try to be in St. Augustine.
Before my arrival I shall cable the exact date and fly number.

I feel depressed and very sorry to have caused you so many
troubles with the registration of the Cadillac and I thank you
very much Ted for the troubles he took.

I never received Ted's letter, but finally I got his telegram
and I am flying tomorrow to Paris to collect all the names and
numbers he wishes to have and I hope that upon my arrival I
shall be able to register my new car.

With the great hope of seeing you soon and with my best regards
and love to Catherine and the whole family, I remain,

Cordially yours,
