101 Oglethorpe Boulevard
ST-AUGUSTINE, Flo 32084

Dear X,

Back in Minorca, I send you my gratefulness for your kind hospitality.

I have been very happy to see you in good health and I beg you to go on, eating less and walking more.

Here, everything is alright and Jacqueline is still in a wheelchair.

Tell Teddy that my grand-son, Ignacio Roselló is taking care of his tickets to fly to Minorca in September. Natxó will contact Teddy.
