Dear Mr. Sweett,

Back of a long trip, I find your letter of february 8th.

I am very happy knowing that the "Menorcans in Florida" of Professor Rasico will be delivered soon.

I join you the copy of my letter to Mr. William Young, Great Chief of the Barnett Bank, Main Office in Sant-Augustine. The bank is located along side of the Roman Catholic Catedral of Sant Augustine.

Professor Rasico asks me to be present at the presentation of the book in Florida. I should be delighted to assist to such presentation if it takes place between the 8th and the 27th of May.

I hope in the book appears the name of my dear friend, X.L. Pallicer.
