Dear Father Coll:

The many months we planned for the tour of the Capella Davidica and Grupade Danzasde Saint Isidre to visit Florida and share Minorca's rich heritage of song and dance with Floridians have borne fruits more wonderful than ever hoped. For those of us who were fortunate to have been a part of this wonderful sharing tour, it was a rich and rewarding experience; one we shall never forget! We sincerely hope you and your fine group enjoyed visiting Florida as much as we enjoyed showing Florida to you.

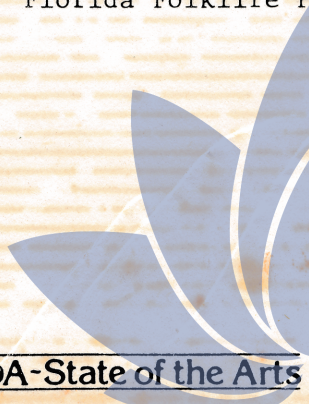

Thank you for the wonderful gift of three publications regarding Menorca donated to the Department of State's Folklife Archive. We have placed Cancons i Balls de Menorca; Llibre de Lectures Menorquines, and Folklore Menorquí in the Florida Folklife Archive, and consider them an asset to the growing research collection here in White Springs.

Thank you again for an unforgettable eight days of Menorca music, song and dance.

Sincerely,

Ormond H. Loomis
