

1st. April 1981

Mr. and Mrs. Andrew Fuller,
Palm Beach.

My English is not rich enough to find in it
the good words to thank you for your wonderful
hospitality.

Jacqueline and I, we were enchanted being with you
although unfortunately it was a very short stay.

We are looking ahead to the pleasure of seeing you
again in the Island of Rhode next June.

In the meantime, we send you from the bottom of
our heart a very humble thank you.
