Middelsex - London.-

Juan Victory gave me your letter to him of May 7th, with the address of Mr. Russell in Valletta-Malta.

I did not contact Mr. Cavanagh, of B.E.A., in Barcelona, but I shall do it in the near future.

I very much appreciate your kindness and I thank you deeply.

"Mes hommages" to Mrs. Norton.

I am looking ahead with the pleasure in the hope of seeing you in Menorca, next September.

Kind regards.

Yours sincerely.
