

Barcelona, the 14th May 1982

Mr. X.L. Pellicer,
St. Augustine, Florida

Dear S.L.,

Everything is under control, but I was surprised to see in your letter to Juan Victory that you say that the arrival will be the 7th September instead of the 15th previously decided.. This change does not disturb the Menorcan schedule and I cope that everything will be alright.

Mr. Ensenyat , of the "Rotary Club" of Madrid, will right to Chicago and may be he will phone you in connection with the article in the Rotary Magazine. Mr. Ensenyat is now in Roca Ralon (Florida) for the meeting with Rotary people and I gave him your telephone number. You could try to reach him in the telephone.

Next week I am sailing with my boat accross the Mediterranean and I shall be back in Menorca in August 15th. Should you need something from Menorca in the meantime, please phone or address to Juan Victory - Calle Norte nº 2 , Mahón.
