My dear Mayor and friend,

When I finally got to be in Minorca, I went to see the mayors of Ciudadela and Maó.

Now, the both have your propositions and I hope that some day you will get a reply. I will follow up.

Don't forget that you and Mrs. Beeson have to be in Mongofre at the end of September or the beginning of October.

God Bless Sant Augustine and all its citizens!

I remain as ever your most obedient servant.
