Dear Sir,

Thanks God, we are back safely in Menorca after a long trip through Kenya, Thailandia, Nepal, Bhutan, India, Arabic Emirates, Cairo, and Rome.

Jacqueline and I, frequently talk about your wonderful hospitality, the good lunch we had with you and the beauty of your garden.

Thank you very much for everything!

Jacqueline and I should be delighted if you come to Menorca to see us in September or October.

Waiting for your positive reply, I remain your most obedient servant,

Fernando A. Rubió
