Thank you for your post card from Canarias Islands.

I am leaving soon to Paris to attend the Ceremony of taking possession of the new General Director of UNESCO what will take place the next 16th of November.

After this, I don't know if I will come back to Menorca or fly to America.

Anyway, we are waiting for yourin Mongofre during the month of January.

Wishing you a very Happy Christmas and a wonderful 1988, I remain as ever your "bon amic".
