N a i r o b i - Kenya.

Dear Mrs. Henderson,

Since I received your letter of 13th july, I have been unable to send you any kind of answer, all my friends being cruising around.

Now I have unhappy news that none of them wants to go with me to West Africa for the safari.

I am still interested in the rhino and I should be very happy to go to Nairobi and start a nice safari alone, if this is convenient, possible and not too expensive. My only possible month is February.

Waiting for your kind reply, I remain, dear Mrs. Henderson,
Very sincerely yours.

P/S.- For ~~any~~ any kind of animals, my safari would be photographic. I am only interested in shooting the rhino.
