Mr. XL Fallicer
101 Oglethorpe Boulevard
SANT AUGUSTINE, Florida

It is absolutely impossible for me to be in Florida before the 18een of March to attend the Col.loqui d'Estudis Catalans of the North American Catalan Society.

I shall arrive directly in Tampa and I still don't know if it will be through New-York or through Miami.

On the 20th evening, I shall be in Sant Augustine and I beg you to reserve for me two rooms in the Monson. My son Enrique will be with me.

I am leaving Spain next monday for Indonesia, Singapour, Thailandia, India and Jerusalem and from one of those places I will fly to America to joign you.
