Dear Mike,

Thank you for your beautiful Christmas Card, which just arrived.

As you wish you will see me soon, God helping. I shall be in Mexico the 22nd february and after a week or ten days there I shall fly to Atlanta. Will phone you before because I like you to reserve for me a room in the Motel near your house. From the Atlanta airport I will take a taxi.

Please send me to Mexico the exact place of the Motel and the exact instructions I must give to the Taxi's driver.

Love to you, Judy and millions and millions of kisses to Christina,
