Mr. X. L. Pellicer  
101 Oglethorpe Boulevard  
SAINT AUGUSTINE, FLORIDA  
(U.S.A.)

Thank you for your letters.

The letter of the Tallahassee, Florida Department of State was addressed directly to Menorca instead of to Miami and I got it perfectly.

Now we expect after to-morrow the cable of the Rotary Club of Saint Augustine that you announce in your letter. I hope that the students matter will be resolved.

I have arranged the matters of Tunisia and the audience will be postponed accordingly. Such postponement allows me to attend the ceremonies of the Rotary Club of Menorca and with honour and pleasure I will represent the Rotary Club of Saint Augustine.

I did what I could about the invitation of the King of Spain. Let us hope for the best.

Thank you again for your kindness and hospitality.

Love to Catharine and the family.

Shall return to Menorca around the 15th of august.

Fernando A. Rubió
