Dear Mr. Herr,

Thank you for your letter of January 10th 1977. Next week I shall go to Madrid and discuss your confidential agreement with my people there.

In my opinion the best thing I can do after my meeting in Madrid, as I have to fly to Lisbon (Portugal) and Montréal (Canada) for business, and afterwards I shall easily fly to Indianapolis, to meet you there. My arrival in Indianapolis will be around the 10th of February. Before that date I shall phone you from Montréal to have an appointment with you.

With the hope to see you soon, I am,

Yours sincerely,
