Mr. David Joy  
British Consulate-General  
Av. Diagonal, 477  
08036 BARCELONA

Thank you for your letter of the last 9th of August.

I am very grateful to you for your wish to come to celebrate my ninetieth birthday but I think if you come that date, you will not be able to stay in Mongofre, because the number of people in my family is mostly great!

I suggest that you come in the long week end between the 12th and the 14th of October. I hope that this date will be good for you because it is very good for me.

I am going to be in Barcelona from the 22th to the 25th because I have been invited by the Mayor of Barcelona to the "Festes de la Mare de Deu de la Mercè".

In the hope of seeing you soon, I remain you friendly,

Fernando A. Rubió
