LOS ANGELES, Cal 90017

Dear Mr. Malter,

My wife and I wish you and Mrs. Malter a very  
Happy 1988.

It is a long time since we have been in Los Angeles  
visiting you and the group of friends we have there.

Now again, we are planning to be in the Beverly  
Wilshire Hotel between March 8th and March 11st.

On March 8th, we shall arrive coming from the islands  
of Hawai but we don't know yet the flight number, so I hope  
you 'll phone us at the Wilshire.

With the hope of seeing you again, I send you the  
best wishes for you and your charming wife.
