Mr. X. L. Pellicer  
101 Oglethorpe Boulevard  
SAINT AUGUSTINE, FLORIDA  
(U.S.A.)

Finally we got back from our annual trip around the Mediterranean. This time we have been in Tunisia, Sardinia, Malta, Sicilia, the islands of Greece, Istanbul, Capri, Corcega, Montecarlo and Minorca. All together four thousands sea miles.

I hope that Mr. Young paid my debt to the travel agency.

I intend to be in the American continent at the end of October and see you around the 12 of November.

The disaster of Mexico did not affect us, Thanks God.

I will phone you as soon as I am in Mexico and will reconfirm you the exact day of my arrival in Saint Augustine.

I hope that the Gillespies are all right.
