

To; Dr. Fernando A. Rubio

May I extend my personal invitation to you to participate in the past, present and future of our nation's oldest city through membership in the Saint Augustine Historical Society.

We are certain that you will enjoy the social and cultural benefits of membership in our Society, and that the Society, in turn, will benefit by your interest in the preservation of Saint Augustine's historical heritage and the publication of its history.

Cordially yours

Mark E. Bretwell
