SANT AUGUSTINE, Florida 32085-210

Respected Mayor,
My dear friend,

Very happy to know that you are coming in October with Mrs. Beeson and very grateful to you to make me participant of the events that Mrs. Clarissa Anderson is trying to organize.

I intend to be in Florida from the 6th to the 12nd of November 1989, God permitting.

I will try to see the Mayors of Maõ and Ciutadella and ask them to reply you about the "Sister City".
