

18th january 1984

Mr. and Mrs.
William Gillespie

Excuse me if I do not find your address and I send you this letter through our mutual friend X. L. Pellicer.

Sorry you will not come to Menorca at ~~Easter~~ although I still hope to convince you when in February or March I will see you in New Smyrna.

The second part of September is absolutely OK for me, and I like to make it clear anytime, anyday and any-hour you may come to Menorca.

Hope you had a good Christmas and I wish you a very happy 1984.
