Mr. X.L. Pallicer
101, Oglethorpe Boulevard
SANT AUGUSTINE, Flo

I will intend to be in Sant Augustine around the 6 of next November.

Professor Rasico will try to see us then on my first stop in Sant Augustine or in my second one between the 20th and 25th of November.

Happy to know that you are all right, you and your family.

Please tell my lawyer and good friend that I badly need the registration papers of my two american cards. I will have with me photocopies of the insurance.
