Dear Saly and Bill,

Ted Pellicer sent a telegrame about the death of his mother and my secretary sent me the bad news to East Asia.

It has been a very bad new because Catherine and X. Pellicer were on top of my list of friends.

I understand very well that you cannot get air tickets to Menorca. Myself, I had to go tomorrow to Barcelona for a catalan national celebration and I cannot find place in any plane!

September and October are very good to us to receive you and I am very happy to know that you are coming. Why don't you come somewhere in the Mediterranean and embark on the Addaya, from July 1st to July 20th, I have room for you and also from August 9th to the end of the month.

I will try to phone you to have your reply.

Jacqueline joighs me in wishing you both good health and happiness.
