

28th September 1990

Mr. Kenneth Beeson  
Mayor of St. Augustine  
TOWN HALL  
ST. AGUSTINE, Florida 32084

Dear Mayor Beeson,

The death of X.L. Pellicer was a great choc formme and the time will prove that it is too a great lost for St. Augustine and the minorcans.

I joign ascopy of my words in the local newspaper and an aproximative and bad translation.

I dare to suggest you that a street of St. Augustine is named X.L.Pellicer or something similar.

Hope to see you in November in St. Augustine and in the meantime, I send you my sympathy for the great lost.

Fernando A. Rubió
