

November 21, 1979

Mr. Lucien Lefebvre.
Conseiller.
Rougier, Inc.
8480 Blvd. St. Laurent.
Montreal, Que.

Your letter and the two checks were received by me the day I phoned you at my arrival in Mexico.

I can not accuse reception of the money involved -- because the checks are not payable yet.

The day after I talked to you on the phone, I had a call from Montreal (a very pleasant feminine voice was but she -- didn't tell me her name), asking me if I received the checks you -- sent me and I replied the same thing I say in this letter.

I took the occasion to ask the feminine voice when I will have the pending checks due to me since July 31, 1979 and -- she said that I will get them before the end of the year.

I told her that I will stay in Mexico until the end of this month but in case you have to mail them to Spain, my address is:

Fernando A. Rubió.
Apartado de Correos 12
Mahón, Isla de Menorca,
Spain.

In any case, please make the checks payable soon, - because I need the money.

My old age, and the cold in Canada advise me not to go now to Montreal. I will try to see you next spring.

My regards to the President and my old friendship - for you.
