St. Augustine , Florida.

Dear X.L.,

Thank you for your kindness in St. Augustine.

I just arrived in Barcelona after spending several days keeping company to the Victory who are, naturally, very sad.

For the time being, I have been unable to do anything about the Rotary Club.

Tomorrow I am travelling to Paris to see KJacqueline and drive back to Menorca with her and her daughter, to spend the Holy Week there.

After Easter I shall go in Madrid and try to see what could be done about your project.

Best regards to Catherine,
