

Barcelona, the 9th June 1971

Captain E. J. Goumas,
9, Ethnikis Antistaseos Street,
P i r a e u s - Athens

Dear Captain,

It has been a long time since I have news from you.

During the Winter, coming back from the Islands of the Indian Ocean and Kenya, I stopped for a while in the Athens Airport, but I could not see you.

Again it is sailing time and next Saturday, the 12th, we shall take off ~~from~~ Mahón harbour, heading East.

As you offered me several times, we shall send our mail to your office and, when I shall be near you, I shall cable or phone you to make you know the date of our arrival in Athens.

This time I should very much like to see your own Island.

Best regards to Beba and fuertes abrazos para los dos,
