Dear Mr. Lee Kemp,

Just this morning I mailed a letter for you asking for information about the trip of your engineer.

In the afternoon, your letter of December 29th arrived.

Somebody will wait for Mr. Rizzi at Mahon Airport, Monday, the 11th, at 9 h.30'.

I shall reach Mr. Rizzi as soon as he gets on the "Addaya".

About the return trip to London, should Mr. Rizzi have nothing else to do in Palma, it would be better through Barcelona, fly at noon, the 12th, to Barcelona on AVIACO-IBERIA and taking the BEA in Barcelona for London. Please check this itinerary which will enable me to have Mr. Rizzi dining at our countryhouse in Menorca and spending the night there too.

I hope to see you in London before the end of the month and I agree in reimbursing you for the expenses involved in visiting Menorca.

Thank you for your good wishes for 1971. I also wish all kind of happiness to you and to your family.

Yours sincerely,

Fernando Rubió.
