His Excellency
Edmundo Reyes
Commissioner of Immigration
Department of Justice
MANILA (Republic of Philippines)

Respetado Commissioner, Querido Edmundo:

Once again I have to thank your kindness in Manila and Marinduque. This time our happiness was shadowed because of the passing away of beloved Mrs. Onziako.

The monument to Father Saura in Boac is now very beautiful and I thank you very much for the inscription you put on it.

I don't want to disturb your working time and that's why I am finishing this letter in the hope that you invite Jacqueline and I to stay in your beautiful house in Marinduque because I like to be there with you and have long talks together.

Best regards to charming Carmencita and.

Fernando A. Rubió
