Dear Saly,

Thank you for your nice letter of September 30th.

My trip in November to America is getting very complicated because many things came up in Menorca and I have to be present.

I take note of the dates your absence from New Smyrna Beach and I shall do the necessary to be with you when you are there.

If nothing changes I think my arrival will be end of November or beginning of December.

Happy to know that you enjoyed your short stay in Mongofre.

I send you the love of all Minorca for you and Bill.
