Dear Mr. Rubio,

Following an enquiry by your hunter Mr. David Lockwood regarding the status of your Game Trophies currently being processed by us against order No. 2901 we are pleased to inform you that we shall require approximately four more weeks in order to complete the order for packing.

At the moment the Tusks are mounted and the Foot mounts completed, leaving the Lesser Kudu head mount and the skins, all of which are in the final stages of preparation. Within the course of the next two to three weeks we will be communicating with you again and letting you have our final processing invoice. Immediately your remittance has been cleared through Exchange Control arrangements to have the consignment air freighted to you will be made through our agents in Nairobi.
